Get College Smart

ACT

3 COLLEGE PREP PROGRAMS

It's more than buying colorful dorm decor.

We can help your entire family get ready for college.

Get through the college admissions process • Prepare to score well on the ACT
• Succeed in rigorous college coursework • Graduate on time!

With the Sylvan Prep programs, students receive:

- ✓ skills and practice needed to get high scores on the ACT
- ✓ strategies to help students adapt to their new independence and the challenges of campus life
- ✓ personal instruction in critical academic areas/subjects

1. ACT[®] PREP

It's a well-known fact that practicing for this test improves scores. The Sylvan approach can greatly improve upon on-line self-testing. Our professionals can teach your child important additional methods and tactics.

We have seen our students improve their scores between 3 and 5 points.

~ Kathie Van Milligan, Brookfield Sylvan Center Director

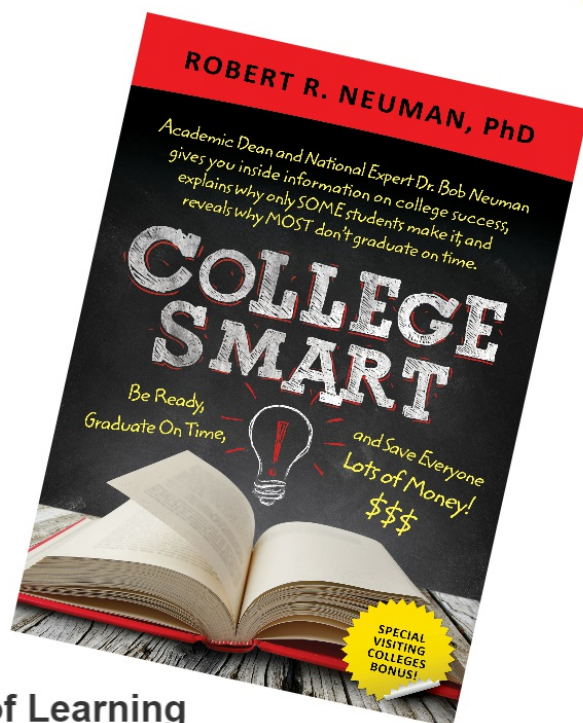

ACT 20-Hour Program \$990 with \$100 off. First test and results are free.
Other options available.

2. College Smart Strategies for Success

College is not high school away from home. Two-thirds of students think it is and quickly become overwhelmed. That's why they need these 12 College Smart Strategies — to adapt to college life and succeed in their courses.

Give your student the know-how and confidence to be ready before he/she steps on campus.

College Smart Strategies for Success — \$235.
Six 2-hour sessions. Includes book.

3. Advanced Reading

Reading: A Cornerstone of Learning

How fast should students read?

Average Reading Rates Per Minute*

Grade 8	204 Words
Grade 10	224 Words
Grade 12	250 Words
College	280 Words

Advanced Reading: \$550

* Pettee & Frackenpoh. Grade level norms for the Components of Fundamental Reading Skill

Increase your child's reading comprehension, retention — as well as speed. Sylvan's unique approach is guaranteed to raise effective reading rates by 50%!
